

IT'S GOT THE LOT, EVEN FUN!

Forget the mundane and leave your expectations in the past! Live out your dreams at the vibrant Gold Coast; let your imagination run wild as you immerse yourself in the social side of the conference!

Poolside Drinks will welcome early arrivals on Tuesday night from 6pm-7pm and when we say "poolside" we mean the Marriott's sandy beach and man-made coral reef! You can take the option to register at this time or join in at our speed meeting experience – don't be shy, you're amongst friends!

On Wednesday and Thursday after the lecture sessions join the supporting companies for Happy Hour in the Commercial Exhibition. You could be a winner when the raffles and prizes are announced!

The social events build to the big one...the VNCA Annual Dinner! On Friday 23rd April in the Grand Ballroom the VNCA will host the best party on the Gold Coast. A delicious three course meal and drinks will be followed by dancing, dancing and more dancing to the music of a live band. The 50's diner theme will have everyone rocking the night away. The VNCA Annual Dinner maintains its reputation as the best not-to-be-missed event on the veterinary nursing calendar.
